

Commercial Construction

More than forty years of experience in fine-home building and remodeling has positioned The Holland Companies that much stronger within the commercial industry, providing a level of quality and attention to detail that is second to none. Their promise of excellence extends into commercial construction and renovation, ensuring uninterrupted and on-schedule workflow.

The Holland Companies currently serves the contracting and construction needs of the banking businesses in the Boston area, as well as the Cape and the Islands, New Hampshire, Rhode Island and Connecticut, with branch office design and construction, ATM fit-outs and teller-line remodels.
